

INDIAN STATISTICAL INSTITUTE

MEDICAL WELFARE UNIT

The Indian Statistical Unit has a Medical Welfare Unit (MWU) in its 205 B.T. Road Campus. It is a primary patient care unit which provides regular out-patient service (OPD) and emergency medical service when needed.

The Unit consists of a team of Medical Officers, Visiting Specialists, Psychological Counselors and Para-medical staff.

BENEFICIARIES OF MWU

All workers of ISI and their dependants, Students, Research Fellows, Project-linked Personnel, Trainees, Visiting Scientists, Post-doctoral Fellows, official guests of ISI, retired workers and their spouses, etc.

FACILITIES AVAILABLE AT THE MWU

OPD

After registration at the reception, eligible patients can consult any doctor available there.

In the OPD, clinical consultation is provided to patients. If necessary, patients are referred to secondary or tertiary care centre for further management.

DRESSING / MINOR PROCEDURE

The Unit provides services for minor surgical procedures like dressing of wounds, suturing of minor cuts and lacerations, suture removal, abscess drainage, application of injection, nebulization, etc. Procedures like ear syringing, foreign body removal from eye, ear or nose are also done.

PHARMACY

A limited supply of medicines is available to the beneficiaries on doctors' prescription during OPD hours and emergency, without any cost.
