

WINTER SCHOOL ON USE AND APPLICATION OF SPSS

JANUARY 27 – 31, 2020

Organized By

Biological Anthropology Unit
Indian Statistical Institute
203 Barrackpore Trunk Road
Kolkata 700108

Last date of submitting

application: 16th December,
2019

Date of notification to selected
candidates: 20th December,
2019

Registration Fee:

Rs. 3000/= (Three thousand only
including GST). **Registration fee
will only be accepted from the
selected candidates.**

Mode of Payment:

Cash/ Demand Draft (In favour of
Indian Statistical Institute,
payable at Kolkata) should reach
to Convener by 3rd January, 2020.

Objectives: The Winter School intends to train research scholars in basic tools of research in biological and social sciences. The course will help them to work with real-life data. Summarizing, presenting and analyzing data using Statistical Software (SPSS Trial version) and writing the report in a publishable form will be the major thrust areas of learning.

Who can Apply: Research scholars, M. Phil students, Master's degree (pass out) and faculties in life science and/or Social sciences

Procedure for Application: Duly Filled-in application in a prescribed form (downloadable from institute's website) should be sent by post or by e-mail to **Dr. Baidynath Pal**, Biological Anthropology Unit, Indian Statistical Institute, 203 B.T. Road, Kolkata 700108. e-mail: baidya.isi@gmail.com, Phone: 033 2575 3247 (office), 09434575105 (mobile)

Number of seats: 50

Selection Procedure: *First 50 applicants meeting eligibility criteria will be selected.*

We will provide:

- Tea and Lunch on all five days of the workshop.
- Study materials.
- Workshop kit.

Limited accommodation available for out station candidates at ISI Guest House on payment basis (first come first serve).

Note: *Travel and daily allowances are not permissible.*
